

Northern Soccer Board Meeting
Wednesday, September 9, 2009, 7:30pm, at Santa Fe Prep
Minutes

Attendees: Mark H, Chad S, David S, Stuart A, Mike L, Tina W, Harvey M, Rennae R

District Commissioner's Report – Rennae reported that the AGM next summer will be run by the leagues and that there is some discussion of U12s going to 11-a-side in Duke City to allow for preparation for USYS regional competition. All at this meeting were against playing 11-a-side at U12.

Treasurer's Report – reconciliation between completed registrations and funds at hand needed to know budget status. Hopefully this can be provided by Gaby before the next meeting.

Director of Coaching – No major issues with Duke City teams. For Academy and Mountain teams it was concluded that most coaches have not had an adequate orientation, although new coaches were more likely to have had an orientation than longer term coaches. Discussed options for reaching longer term coaches which may include outreach to individual coaches by Stuart.

Fields – Stuart brought up long term fields situation and Harvey will check with City to see what their current plans are. The feeling is that Northern should work proactively with the City to support these new fields. Tina will check with Carl with the Pueblo to make sure Northern is meeting their expectations regarding the Downs.

Field Marshals for the Downs – David agreed to be the field marshal for Saturday and Tina will send out a schedule to sign up for field marshal duty for future Saturdays.

Next meeting – October 7 7pm Santa Fe Prep

[approved 7 Oct 09]
