

MMISL 2010

MIGHTY MICK'S INDOOR SOCCER LEAGUE

Looking for More Soccer?

We Got Your Game!

The Boys' and Girls' Soccer programs at St. Michael's High School cordially invite you to participate in their annual winter indoor soccer league.

Beginning January 10, 2010, spend an hour on Sundays in the Tipton Gym at St. Michael's playing indoor soccer with and/or against your friends from the fall and spring soccer leagues. It is a fantastic opportunity to sharpen and enhance your ball handling abilities and skills all while having a lot of fun. We play games only – there are no practices and very little coaching (coaches are required for supervision only). You may even get a little free instruction or soccer pointers from some Horsemen Varsity Soccer Players (boys and girls) that will be there officiating each game.

!!! Come out and have some fun while staying in shape and improving your game !!!
